

# Functional Neuroimaging Frontiers

## BRIDGING MINDS, METHODS, & MEDICINE

### 5th-6th

**FEBRUARY 2026**  
**9AM - 7PM & 5PM**

**KNOWLES CONFERENCE CENTER**  
GSU COLLEGE OF LAW  
85 PARK PLACE NE  
LOWER LEVEL  
ATLANTA, GA 30303

SPONSORED BY

Georgia Research Alliance

Join us for a 2-day symposium spanning **cutting-edge methods**, multimodal and **computational innovations, biomarkers, and clinical translation**—bridging neuroscience, engineering, and medicine.

Featuring keynotes, panels, and a poster reception, the event fosters collaboration across disciplines & institutions.

### KEYNOTE SPEAKERS

#### Peter Bandettini

Chief of the Section on Functional Imaging  
Director of the fMRI Facility  
Director of the Center for Multimodality in Neuroimaging  
*National Institutes of Mental Health*

#### Susan Bookheimer

Joaquin Fuster Professor of Cognitive Neuroscience, Psychiatry and Biobehavioral Sciences Professor  
Staglin Center for Cognitive Neuroscience Professor In-Residence  
*UCLA Brain Research Institute*
